Yes please, delete. I've attached an updated table of who needs what, with worksheet with current names. Thanks,  
Linda

All set. Larry, Janis and Tudor all took it. Natalie has yet to take it but EtBr is included on her topic list.. Should I delete EtBr from everybody else?

Hi Howard:  
Sandy has no people who need EtBr training. Here is Tracy's list of people who should be trained:

Larry Connolly  
Janis Parrin  
Tudor Chiorean  
Natalie Fremont Smith

Maybe next time we meet we should discuss how we should communicate to you where these new people will work and what training they will need. I hadn't thought of that before!

Thanks!  
Linda

Although CDC has validated some alternate stains that I've asked gg and lc to look into internally. I will ask if they've made any progress on that yet.
